WHISTLE BLOWER'S FIGHT AGAINST CORRUPTION OF
H& FW DEPTT, GNCT OF DELHI
THROUGH PUBLIC DOMAIN [HTTP://WWW.CORRUPTIONFILE.COM](http://www.corruptionfile.com)

Respected Sir,

In reference to my previous Email dated 28-05-2015 regarding "Why I should not post corruption related documents on Public Domain?", I would like to state that none of the authorities from Central Govt. of India as well of Govt. of NCT of Delhi had given me any direction to not to do this activity even after passing around 3 month.

I have also mentioned in the Email dated 28-05-2015 that in case of NO REPLY from authorities in 3 weeks, it will be presumed that the competent authorities are agreed and permitting me to post corruption related documents on Public Domain for Public access.

Therefore, in view of SILENT APPROVAL FROM THE COMPETENT AUTHORITIES OF CENTRAL GOVT AS WELL AS GOVT. OF NCT OF DELHI, developed a website named www.corruptionfile.com and posted corruption related documents over it. I have several hundreds of copies of letters, emails, documentary evidences, correspondence letters, RTIs, CIC Orders, etc and not possible to post all at a time on the website www.corruptionfile.com and it will take time to upload all the documents. So, please visit the website www.corruptionfile.com REGULARLY to know about further updates.

Now, I can hope for any concrete action against the corrupts who had looted the public money and still looting the public money because they got promotions. THEY MUST BE BEHIND THE BARS FOR THEIR CORRUPTION.

IT IS FOR YOUR INFORMATION ONLY AND CONCRETE ACTION IS YOUR DECISION AGAINST WHISTLE BLOWER OR CORRUPTS.

Thanking you

With regards
