Subject: Corruption of Aruna Asaf Ali Govt Hospital, 5-Rajpur Road, Delhi-54

Respected Sir,

I hereby giving information about the corruption which is going on since 2010 to till date which is done especially by Dr. Surendra Singh (CMO, NFSG) holding seat of Chairman Medical Board now since more than 3 years in this hospital. He is creating hindrance in smooth functioning of the hospital. It results into poor patient care and non-availability of essential drugs and surgical items to the patients and few cases giving you as whistle blower.

I got life threat from Dr. Surendra Singh and for my family also. Dr. Surendra Singh is having a strong back up of all type and lobbying with the suppliers. Therefore, none of the doctor and the M.S loud their voice against him.

I have seen a lot of complaints against this doctor which were filed by many people against him. These complaints came to the M.S. from Directorate health services, (DHS) Delhi for enquiry but instead of enquiry they were handed over to Dr. Surendra Singh or Dr. Amit Sharma, vigilance officer cum General store incharge who destroy these letters and all are trying to cover his corrupt activities.

I personally informed the Medical superintendent about all the corrupt activities of Dr. Surendra Singh and even though the M.S. is not taking necessary action against him.

Therefore, I'm providing you the information in good faith to stop corruption in Public Interest.

Dr. Avinash Kumar
