Subject: Provide Stationery items to Whistle Blower to fight against Corruption

- **Competent Authorities are reluctant for NO ACTION against Corrupts**
- **It is a TUG OF WAR between Whistle Blower and Competent Authorities of Govt. on Corruption issues**

Respected Sir,

I am Dr. Avinash Kumar, (MBBS, MD Medicine) working as Head of Department of Medicine in Babu Jagjivan Ram Memorial Hospital, Jahangirpuri, Delhi-110033. I have exposed uncounted corruption cases of Delhi Govt. Hospitals, Directorate of Health Services, GNCTD and several corruption cases done by **Sh. S.C.L. Das (IAS)**, former Secretary, H & FW Deptt, GNCTD who is being gifted with the post of Secretary to Hon'ble Lt. Governor **FOR HIS OUTSTANDING CORRUPTIONS IN H & FW DEPTT.** The exposures were done as **WHISTLE BLOWER** and still doing despite harassment & life threat even after disclosure of identity by Central Vigilance Commission (CVC), M.S., AAAGH & others.

The whole corruption stories with documentary evidences are available on website www.corruptionfile.com, launched by the undersigned after due approval from Central Govt. and Delhi Govt. Authorities.

In fact, CVC guidelines states that only one letter of Whistle blower is enough for investigation agencies and CVC to take action against Corruption & Corrupts.

Surprisingly, NO ACTION taken by the competent Authorities of Delhi Govt. as well as of Central Govt. against corrupts in about 3 years. However, Delhi Govt and Central Govt. both are working hard against corruption, spending multi-crores of Rupees in advertisements against corruption. Both Governments are upgrading the old systems by various means to curb corruption and moreover, Central Vigilance Commission (CVC) is in existence exclusively to fight against corruption. CVC authorized Chief Secretaries of state as Central Vigilance Officers (CVOs) and assigned them their about equivalent power to take action against Corruption and Corrupts. Here CVO of Delhi Govt. is also maintaining his silence on Corruption issues.

Unfortunately, I am trapped into extremely beautiful cobweb of CVC through becoming WHISTLE BLOWER after going through the fascinating guidelines mentioned on the website of CVC. Neither CVC nor CVO protected whistle blower from harassment done by Sh. S.C.L. Das, former Secretary, H & FW Deptt., GNCTD. The ominous shadow of Sh. S.C.L. Das is still lying on H & FW Deptt. and therefore the authorities are scaring to take action against the Corrupts. Due to this reason, the authorities are dumping my complaints of corruption in dustbins and therefore silent to conduct enquiry and take action against the corrupts on my exposed corruptions.

I have **exposed about 20 different corruption cases** of various departments under H & FW Deptt, GNCT of Delhi and sent uncounted letters & emails to competent authorities along with documentary evidences but none of the authorities even assured for enquiry and action.

Now, it is a TUG OF WAR going on between Dr. Avinash Kumar, Whistle blower and Competent authorities of Delhi Govt & Central Govt. It seems that both parties have pledged. On one side, Dr. Avinash Kumar pledged for action against corrupts to protect Law and on other side, Competent authorities of Delhi Govt & Central Govt pledged to save the corrupts against Law.

{(This is not an hypothetical statement. Please put my CVC Complaint no. 2726/13/10 in the “Enter Complaint Number” box at CVC website page http://cvc.nic.in/comp_stat_srch.asp for Status of Complaint Lodged. Result will show:- CVO RECOMMENDATION REPORT NOT YET RECEIVED since 26/09/2013. Please also read the policy mentioned by CVC over this webpage. I'm sure all of you will be shocked. Apart from it, my website www.corruptionfile.com is broadcasting the whole story of corruption.)}

Now, Please let me know! Who is protecting Corrupts? Central Vigilance Commissioner of CVC OR Chief Secretary/CVO of Delhi OR Secretary (H & FW), GNCTD OR Ghost?

I'm continuously helping the Government through informing them about each and every corruption came to my knowledge. The Governments are also requesting people to come forward and

expose corruption and they will take action against Corruption. Even after call upon by the Governments, the competent Authorities are not taking action against Corrupts and therefore my fight as Whistle blower against corruption is stretched too long. I am not able to guess the end of the story in near future. I have done a handsome expenditure from my salary & savings in purchasing of stationery, photocopies, printer inks, Postal Orders to file RTIs, Speed posts, website maintenance cost, etc. in past 3 years and expecting more expenditure in near future.

I used to attend hearing to First Appellate Authority frequently in RTI cases in various departments because the departments not provide me documents in first instance under RTI Act, 2005 which cause extra expenditure on Petrol/Diesel. **These expenditure I am doing from my salary & savings only to help the Government, protect the Law of India, to prevent corruption and in large public interest.**

Therefore, I request Hon'ble President of India, Prime Minister of India, Chief Minister of Delhi and others to please provide me following major items for approx. for 6 months to fight against corruption as Whistle blower so that I can help my country to eliminate corruption in co-operation with Delhi Govt and Central Govt:

S.NO.	NAME OF ITEMS	QUANTITY IN Numbers
1.	Photocopier Paper Rim, A4 size	6 (Six)
2.	Postal Orders for Rs. 10/-	60 (Fifty)
3.	Printer Cartridge HP 12A	1 (one)
4.	Postal Stamps for Rs. 17/- (in denomination of Rs. 10/-, 5/-, 2/- & 1/-) for Speed Post	200 (Two Hundred) Letters

Sir, the said demand is not for personal use. It is in large Public Interest and it is to fight against corruption which the **Governments also desires**. This will strengthen the hands of Whistle blower to fight against corruption and Governments can set an example to the public. Other expenditure on minor stationary items, website maintenance and cost of Petrol/Diesel, I can afford at this juncture.

I hope you will take care of me and I'm eagerly waiting for your kind help to fight against corruption for a long period as WHIELTE BLOWER.

With Regards

Whistle Blower Complainant

Dr. Avinash Kumar
