**Subject: Identity disclosed by the Medical Superintendent and others of AAAGH, Delhi**

Respected Sir,

I have written the complaint in CVC and mentioned my official address in view to prove myself a 'Whistle Blower' under PIDPI but unfortunately the letter no. Conf/CFM/1192/13-222549 dated 13-082013 sent by your end for confirmation has disclosed my identity in the hospital.

The letter sent from your end, received in the office of Medical Superintendent, AAAGH probably on 21-08-2013 instead of me.

On 22-08-2013 in morning, Dr. Ashok Jaiswal (Medical Superintendent) called me to provide clarification about the complaint whether I filled the complaint or not and against whom the complaint is filled, in the presence of Dr. Amit Sharma (Radiologist, General store Incharge, and Vigilance officer of the hospital). Latter on Dr. Surendra Singh (CMO, NFSG and holding post of Chairman, Medical Board) against whom the complaint was written, joined the meeting and a very long session of discussion, arguments was held in this regard in the room of the M.S.

On 23-08-2013, this letter was handed over to me in original by getting proper receiving in the register from M.S. office.

Due to the publicity done by all these, now most of the doctors of this hospital and the staff works in the hospital knows about the complaint filled by me in CVC. Even one doctor

has told me that the M.S. warned him to work carefully because Dr. Avinash Kumar has filled the complaint in CVC. All the mentioned doctors including M.S. has disclosed my identity and defamed me also in this issue.

Even though, I still stand on the same and undertake that I myself sent the complaint of corruption dated 01-08-2013 in CVC.

Further I request you to please take necessary action in this issue of identity disclosure which is not supposed to do by these officials and they should not open anyone's letter which is not in their name.

**ENCLOSURE:** Photocopy of your letter with remarks of the M.S. and vigilance officer.

Thanking you

Your's faithfully

Dr. Avinash Kumar
